OUR MILK

We use non-homogenized, low pasteurized milk from Mill-King in McGregor, TX! Mill-King is a family-run farm that has been operating in McGregor for three generations. With a combination of Holsteins, Brown Swiss and Jersey cows, Mill-King produces a milk that is smooth and rich with cream.

OUR STORY

Our mission statement is simple:

SERVE PEOPLE, BLESS THE CITY AND IMPACT THE WORLD.

When we started BREWED, we dreamt of creating a place where locals could escape the stress of life, experience community and enjoy a great meal.

We call BREWED the "Locals' Living Room" because of our warm environment and home-like feel. We hope to spark creativity and inspire memorable conversation.

HERE AT BREWED, WE BELIEVE:

- Engaging with others over a meal or a tasty beverage is good for the soul.
- Collaborating with our neighbors is better than competing.
- Everyone has value and deserves a second chance.

LOVE THE FORT MURAL

We created our mural with "Bless the City" in mind. Just to give back and say thanks.

Love and Worth are truly what makes us all feel valuable, and that's just the reason we created BREWED.
